

**THE MOST DURABLE FLOOR MARKING TAPE**

**TOUGHSTRIPE™**  
Floor Marking

- SUPERIOR DURABILITY
- EASY APPLICATION
- HIGH VISIBILITY

## Superior Durability

Spend less time replacing damaged or worn lines for a better-looking, more efficient facility.

- Withstands forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra-aggressive adhesive

 **Online Video:**

## Easy Application

Quickly lay down smooth, straight lines – without the help of coworkers.

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

 **Online Video:**

## High Visibility

Get the same visibility of painted floor markings – and pay less.

- High-gloss surface shines like new paint
- Low profile minimizes debris buildup along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges and cleans up like new
- Available in a variety of high-impact colors
- Custom colors available

## Diecut Shapes

Utilize different shapes, colors and sizes for more effective, durable floor markings.

- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Longer lasting markings – Minimizes the risk of damage and facilitates fast repair
- **Select dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight, evenly spaced lines**

## Painless Removal

Easily remove floor markings without damaging the floor or leaving adhesive residue.

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor
